DISTRICT 9600

rotary youth
leadership
awards

Since the Rotary Youth Leadership Award's (RYLA) humble beginnings back in 1959, when the Qld Government invited local Rotarians to help plan a festival celebrating its upcoming centenary. Learning that Queen Elizabeth II was sending her cousin Princess Alexandra, who was in her early 20s, to the celebration, Rotarians planned activities specifically for the princess' age group. D9600 RYLA has come a long way since then. Officially adopted by Rotary International in 1971, this exciting program engages Rotary clubs and districts around the world.

RYLA will be an unforgettable experience in life, learning from experience and experiences. The program's aim is to give young people personal, leadership and citizenship skills to succeed in all areas of their life.

RYLA will give young adults (18 – 26yrs) the opportunity to learn from other like-minded people and make new friends, while being challenged both physically and mentally on their road to self-discovery.

This experiential learning opportunity will enable individuals to discover their uniqueness and how to, communicate work with others and embrace change.

RYLA participants will be from a variety of areas such as: the business community; the self employed; educational institutions; government agencies; community associations; Rotaractors; and service organisations.

Participants will be transported by bus to and from Luther Heights, arriving Saturday 30 April and departing Thursday 5 May 2016. The program covers 5 very full days of activities and speakers together with social and Rotary functions at night.

Seminar Program will start at 0600 and conclude at 2300 each day

Please consider sponsoring and/or co-sponsoring (see Strategies for obtaining RYLA participants other side) either a young adult aged between 18 – 26yrs to the RYLA Seminar or a Leader (past Rylarian). You will be providing a great opportunity for young adults in our District / Community to grow within their own personal lives, to develop their leadership skills within their career and understand the value of good citizenship.
